Important Hints:

1- The Arabic letters (**ϩ, ع, ɜ**) are replaced by Latin letters (**c, q, x**) or Arabic Numerals (**7, 3, 2**).
2- All short and long movements (**vowels**) are mandatory. The static mark {**SukUn**} is hidden.
3- The silent Solar L is omitted. Any Arabic letter with (**Shaddah**) including the one following the **Solar L** is replaced by double letters (the first one letter is static and the second one is dynamic).
4- {**hamzatu –lwasl**} is replaced by a linking dash for linking words{**waslatu –lkalimAt**}.
