Suzan Abulhawa Lecture at Oxford University – Historic Speech

URL: https://x.com/i/status/1865041004925251964

"What if the opposite happened and the Jews were the ones who were subjected to all the tragedies that we are subjected to?" A historic speech by the Palestinian writer Susan Abulhawa at the Oxford University Union debate on the proposal to describe Israel as an apartheid state responsible for genocide. (278 votes in favor and only 59 against).
